IFC Awards 2018

Every year University of Tulsa Interfraternity Council awards fraternity based on individual performance and the chapter as a whole. This year we won most of the awards presented, proving once again, that we are the number one fraternity on row.

Awards Won:

- Circle of Excellence (top overall fraternity on row)
- Excellence for Leadership
- Seven individual awards; Greek Man of the Year, Outstanding scholar in ENS, Health Science, Business, outstanding Initiate, Senior, and IFC delegate award.

Dreamgirl Formal

In this year's annual Dreamgirl formal, we announced Katherine Perry as our new Dreamgirl and presented several other member awards at the formal on Saturday evening. Special thanks to alumnus member Taylor Anderson ('14) and James Hunter ('14) for making this event a reality and memorable for all. Also special thanks to past Dreamgirl Gabby Gunnerson for completing her year as Gamma Upsilon's Dreamgirl.

RUSH is the bloodline of our Fraternity

Alumni help is essential in the process of recruiting the most best men. If you know of a young man who would be a good Pike and will be attending the University of Tulsa next year, please contact our current Recruitment Chairman, Brandon Short at (214) 223-8618 or email him at brandonsshort11@gmail.com. Please include your thoughts and comments about the potential new member along with their contact information, thank you.

ESTABLISHED 1868

Senior Highlight

On April 27th the class of 2018, Alpha Psi, completed their alumni oath to become an alumnus member of Pi Kappa Alpha – Gamma Upsilon Chapter. Among these seniors, some of them are continuing their education and getting a master's degree while some others proceed to work in their respective fields throughout the country. Special thanks to these seniors for their contribution in serving ΦΦΚΑ.

- Mitchell Oglesby – Accounting and Finance
- Taylor Anderson – Accounting and Finance
- Pierce Anderson - MIS
- CJ Barton – Mechanical Engineering
- Ludwig Dischner – Marketing and Advertising Minor
- Carter Ebrey – Electrical Engineering
- Fitz Freeman – Mechanical Engineering

Alumnus member Kyle Larsen ('14), Fitz Freeman ('14), CJ Barton ('14), and Andrew Williams ('14), all students of the ENS College. (Left to Right)

Philanthropy

On March 26th, we hosted our annual philanthropy week and raised over \$2,967.00 benefiting the American Cancer Society. Special thanks to brothers Jonathan Strevey ('16) and John Cihota ('15) along with the philanthropy committee for organizing a successful event.

Additionally, we would like to thank all those who contributed to benefit the American Cancer Society. Your donation will not only be of an assistance to the Society, it will also help the world battle to get rid of cancer.
